“...Open the door for the very first time, and enter what really is your dream home.”

Set within what has already become the well established and highly desirable Four Miles development, Plot 30 is located on the northern side of Granary Court.

Granary Court is modelled on a traditional barnyard conversion with just ten substantial properties that all overlook its central courtyard.

The property is arranged, as one would expect with an Avada Home, with their signature style of bedrooms on the ground floor and living and entertaining space above, so as to maximise the enjoyment of those wonderful far reaching views over the north Norfolk countryside.

On the ground floor there are four generous double bedrooms with the

principal bedroom suite having built in wardrobes, as well as a contemporary en-suite and direct access out to the garden. Perfect for sitting out and enjoying a morning coffee.

The remaining rooms include three other bedrooms, which all benefit from an en-suite shower room and a study with access to outside.

Climb the wide oak staircase up to the first floor where you will, undoubtedly, be struck by the extraordinary expanse of open plan living space which, with the fully vaulted ceiling and two Juliet balconies, creates a sense of volume and light that is completely reminiscent of the upper floors of a barn conversion.

There really is an abundance of relaxing and entertaining space up here, with ample room for a seating area and dining area whilst still retaining all the social aspect of an open plan room that allows one to prepare food for friends or family while still chatting away.

There is also a very practical and separate utility room and pantry beside the kitchen area.

Outside, the property has gardens to the front and rear and two allocated parking spaces along with a separate garage.

“These are homes designed for sitting back, relaxing and enjoying life and a sense of community is extremely important to us – we want our homes to be homes.” - DEVELOPER, IAN

ALL THE REASONS

Docking

IS THE PLACE TO CALL HOME

Docking is arguably one of Norfolk's best hideaways, just four miles from the sea yet a comfortable breeze away from the coastal crowds in the heat of summer, and within a comfortable drive of the market towns of Fakenham and elegant Holt.

Some four miles to the east, grab fresh goods from independent retailers in iconic Burnham Market. Some four miles to the coast, feel insignificant on the long spanning sands of Brancaster beach.

Today, a strong village community exists and Docking has a thriving nursery and primary school, and the heart-warming sound of young children enjoying playtime often echoes in the surrounding streets, as it has for centuries. Well-served, Docking also has

a GP surgery, village store with Post Office, playing field, tennis court and bowling green, along with a popular fish and chip shop and good local, The Railway Inn.

From migrating birdlife to lazing seals, and the spirit of Norfolk society, everyone wants a slice of the good Norfolk life.

“All roads lead to Docking, all roads lead to home.”

“My wife loves it here. My children, 13 and 14 years old, love adventuring and we hope to keep a property of our own here – it really is a special place to live.”
